### **227 Matters to discuss**

227.1 The Playground report from the Playground Association  
The Chairman introduced the papers which had been circulated regarding the choices of equipment made by the Playground Association committee following the further award of funding from the Banks Group.

There were several questions about the overall funding of the next stage of the playground project and the Chairman announced a donation from The Village Hall Association which has also been made towards the playground.

This means that all the funding for the next stage of development of the playground has come from grant funding and donations, not Parish Council funds.

Given that the appropriate funding was in place, a motion was proposed by Cllr MacMahon to ask all those in favour of proceeding with the purchase of the equipment selected by the Playground Association. This was seconded by Cllr Latham and carried by the whole council.

The Council also resolved to pay the RoSPA visit costs.

There followed some discussion, instigated by the chairman, as to the Council's application of funding from The National Lottery, this is on-going and will be reported at the next normal Parish Council meeting.
